Under this agreement for 2017
Canungra State School will receive

$102,760*

This funding will be used to

- Increase the percentage of students achieving above standard results in English by 8% by semester 1 2018 in comparison to semester 1 2016.

Our initiatives include

- through Playgroup provide education for parents of pre-Prep students to support the development of oral language and early literacy skills at home
- develop a network of local ECEC to enhance knowledge of on-entry to Prep expectations and to assist in a smooth transition of children into Prep and Year 1
- provide focused and intensive teaching for students requiring additional support or extension to demonstrate improved achievement against the year-level achievement standards
- develop teacher knowledge and understanding of the P-10 Australian Curriculum English content descriptions and achievement standards through Professional Learning Teams
- provide professional development and coaching to develop teachers’ understandings of the teaching of reading and use of data to inform planning based on the Canungra State School Reading Framework.

Our school will improve student outcomes by
