Canungra State School Expected Behaviour

Term 1 – Week 9

Accept that everyone is different. (Respectful)

The world would be a very boring place if we were all the same.

Library News!

Students may reborrow books they have not finished.

Reading makes us wiser

Remember: "Kids who read succeed"

You're invited to join the Canungra State School P&C Association!

- **Being a P&C member does not mean that you must attend all meetings.** We understand families have busy schedules and sometimes it is physically impossible to commit to attending. We just ask for you to volunteer when and where you can.
- **You do not need to attend a meeting to become a member of the P&C.** Simply complete the membership form and either return it to the office or email a copy to pandc@canungrass.eq.edu.au.
- **Parents are not required to hold a volunteer blue card in order to volunteer at their child's school.** Any other family member that is not a parent is required to hold a volunteer blue card, in which the P&C are happy to assist with applications.
- **All volunteers of the school (including P&C) are required to complete the mandatory volunteer induction training as per Department of Education requirements.** This is to ensure that all volunteers are covered under the P&Cs Personal Accident Insurance Policy. This training is conducted at the start of the year by the school and is also available at school administration. This takes approximately 15 minutes to complete.
- **Remember, the P&C is made up of parents.... just like you!** The primary goal of the P&C is to enhance the educational opportunities for the students at our school. But along with that, it is also a great platform to –

- Build lifelong friendships with other like-minded parents.
- Enhance your skill set.
- Become more informed on important school matters and policies and provide parent input.
- Give back to our wonderful school community.
- And most importantly, have fun!

- If you have any questions, feel free to email pandc@canungrass.eq.edu.au.
