## Under this agreement for 2019 Canungra State School will receive

**\$102,760\***

### This funding will be used to

- Increase the percentage of students achieving above standard results in English by 8% by semester 1 2020 in comparison to semester 1 2018.
- Reduce the number of students in prep-year 3 achieving a below standard result in English by 4% by semester 2 2019 compared to semester 2 2018.

### Our initiatives include

- provide targeted professional development and coaching to deepen teachers' understandings of the Australian Curriculum: cross curriculum priorities and general capabilities and provide targeted and scaffolded instruction to secure highly effective teaching of critical and creative thinking skills, literacy and numeracy skills in every classroom
- provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards
- provide intensive support for students demonstrating high levels of achievement.

### Our school will improve student outcomes by

Employ additional ST:LaN to work in classrooms supporting teachers for small group differentiated instruction and build capacity of teachers to differentiate based on data. Additional staffing to release teachers and teacher aides for weekly meetings to address at risk students, plan individually, analyse data, track progress and build capacity of teachers and teacher aides.	\$ 61,905
Employ a Teacher Aid (TA) to deliver a school based playgroup, before school oral language programs and support small group differentiated instruction.	\$ 40,855
