

Investing for Success

**Under this agreement for 2021
Canungra State School will receive**

\$114,916*

This funding will be used to

- Increase the percentage of students achieving above standard results in English to achieve the school target of 43% of students with an A or B level of achievement.
- Reduce the number of students in prep-year 3 achieving a below standard result in English to achieve the school target of 92% achieving C or better level of achievement.

Our initiatives include

- Provide targeted professional development and coaching to deepen teachers' understandings of high- yield pedagogies.
- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.
- Provide intensive support for students demonstrating high levels of achievement.

Our school will improve student outcomes by

- | | |
|---|------------|
| • Employ additional Support Teacher Literacy and Numeracy to work in classrooms supporting teachers for small group differentiated instruction and to build capacity of teachers to differentiate based on data. Includes additional staffing to release teachers and teacher aides for weekly meetings for case management, curriculum collaboration and build capacity of teachers and teacher aides. | \$ 70, 000 |
| • Employ a Teacher Aide to deliver a school based playgroup, before school oral language programs and support small group differentiated instruction. | \$ 35, 000 |
| • Offer coaching and professional development in high-yield pedagogies. | \$9, 916 |
